The Burgess Medical Stretcher Trolley is the ideal patient handling couch trolley for your ward or hospital, this two-section, heavy duty trolley provides quick and easy patient manoeuvrability thanks to its directional and locking wheels with brakes and fold-down side safety rails. The Burgess Medical Couch Trolley is available in a choice of anti-microbial vinyl upholstery options and benefits from premium features including an adjustable backrest, hoist access clearance, twin steel pillar design, rubber bumpers and a large hydraulic height adjustment (20" to 36" rise).

This premium medical couch is available with a range of optional accessories such as an IV pole and Oxygen Tank Holder.

Choose your options and customise this medical couch to your exact needs.

Special features:

Heavy duty 6" directional locking castor wheels with brakes allow patient manoeuvrability.

Attachment Note: Oxygen Tank Holder not included as standard - to order if required (A15).

Product Note: Base frame gives height clearance of 8" at head end/centre tapering to 6.5" at foot end.
