The Burgess Medical Couch Trolley is the ideal transfer couch / patient couch trolley for your ward or hospital, this two-section, heavy duty trolley provides quick and easy patient manoeuvrability thanks to its directional and locking wheels with brakes and fold-down side safety rails. The Burgess Medical Couch Trolley is available in a choice of anti-microbial vinyl upholstery options and benefits from premium features including an adjustable backrest, hoist access clearance, twin steel pillar design and a large hydraulic height adjustment (18" to 33" rise).

This premium medical couch is available with an optional anatomic memory foam pad and corner-fixing IV stand.

Choose your options and customise this medical couch to your exact needs.

Special features:

Heavy duty 5" castor wheels allow easy patient manoeuvrability - 2 directional & 2 locking wheels.

Product Note: Base frame gives height clearance of 6" at head end/centre tapering to 5" at foot end.
