This Charcot multi-discipline / clinical plinth boasts a high-quality steel scissor frame which provides vertical elevation and improved stability. The clinical two-section plinth also benefits from a gas-assisted adjustable backrest and a retractable wheelbase complete with practical foot control.

The Charcot multi-discipline plinth is available in a choice of anti-microbial vinyl colour options and offers a whole host of optional accessories and attachments allowing you to tailor the product to your exact specifications.

Special features:

Electric model: electronic foot rail at base provides sterile hands-free height adjustment by foot.

Retractable wheel base with foot lever control allows couch to be moved/positioned with ease.
