Our Fenwick Two Section Children's Medical Couch has been specially designed to suit the smaller proportions of children making it ideal for paediatric wards and examination rooms. This premium medical couch boasts a lifting backrest section with a double ratchet mechanism, a retractable wheelbase with foot lever control and a steel frame complete with anti-microbial protective coating.

The Fenwick Two Section Children's Medical Couch is available in a choice of anti-microbial vinyl upholstery options and can be upgraded through the use of a wide range of optional attachments.

This medical couch is available in electronic or hydraulic operation models. Please be sure to choose the correct model for your needs.

Special features:

Retractable wheel base with foot lever control allows couch to be moved/positioned with ease.

Safety Side Pads available to order fit both sides and are easily removed / folded down.
