FREE Delivery anywhere in mainland UK by courier

This Gillie Aesthetic Surgery Couch is a two-section, all-electric surgery couch. It features an electronic backrest with rapid motor adjustment, electronic height adjustment and high-speed motors that can rapidly elevate and lower the couch at will. This practical surgery couch offers improved stability owing to a matt silver steel tubular base and comes available with a choice of attachments and vinyl upholstery options.

Special features:

Electric model: electronic foot rail at base provides sterile hands-free height adjustment by foot.

Back rest adjusts swiftly by electronic control.

Arm supports (pair) flip up / fold down. Give added support and extend width - to order (A9)
