This Gillie Extra Wide Aesthetic Surgery Couch is a two-section, all-electric surgery couch. It features an electronic backrest with rapid motor adjustment, electronic height adjustment and high-speed motors that can rapidly elevate and lower the couch at will. This practical surgery couch offers improved stability owing to a matt silver steel tubular base and comes available with a choice of attachments and vinyl upholstery options. This version of the Gillie benefits from a 40" width bed providing a larger surface area for specialised procedures.

Special features:

Back rest adjusts swiftly by electronic control.

Retractable wheel base with foot lever control allows couch to be moved/positioned with ease.
