This Gillie Aesthetic Surgery Couch is a three-section, fully electric medical couch with a multitude of seating options. This versatile couch offers electronic height operation, gas-assisted adjustable back and foot sections and high-speed motors which rapidly elevate and lower the unit on command. The Gillie Aesthetic Surgery Couch offers a stable matt silver, steel frame with a tubular base, retractable wheel base with lever foot controls and a choice of anti-microbial vinyl upholstery options.

Special features:

Electric model: electronic foot rail at base provides sterile hands-free height adjustment by foot.

Retractable wheel base with foot lever control allows couch to be moved/positioned with ease.

Arm supports (pair) flip up / fold down. Give added support and extend width - to order (A9)
