This Osler Wide Three-Section Multi-Purpose Medical Plinth is a high-quality, three-section medical plinth with a durable steel frame and an extra wide 28" bed. The Osler frame has been coated in a protective anti-microbial white finish, while the plinth is available in various anti-microbial vinyl colour options. This three-section medical plinth is available as a hydraulic or electronic model. It can be completely tailored to your needs thanks to a host of optional attachments and ordering options.

Special features:

Back section adjusts smoothly with gas assist levers. Couch swiftly converts to flat to allow for recovery position.

Retractable wheel base allows couch to be moved and positioned with ease.
