This Penfield Multi-Discipline Medical Plinth is constructed using anti-microbial coated twin steel pillars for rigidity, it features a dual-ended design allowing for extra versatility and offers positive and negative positioning on both end sections. The Penfield Medical Plinth is available in a range of anti-microbial vinyl upholstery options and boasts a gas-assisted drop end section, a manual top section adjustment and a space-saving retractable wheelbase complete with foot lever control.

This practical medical plinth is available with a selection of optional attachments and extras allowing you to customise the product to your exact specifications and requirements.

## Special features:

Electric model: electric foot rail at base provides sterile hands-free height adjustment by foot.

Retractable wheel base with foot lever control allows couch to be moved/positioned with ease.
