Our Surgeon's Foot Operated Medi Saddle Stools feature a comfortable and ergonomic contoured saddle-shaped seat pad which helps to correct poor posture and create a healthy seating alternative to standard medical stools. This premium saddle stool boasts a foot-operated pneumatic height adjustment and a 360° swivel for maximum manoeuvrability. On top of this, this saddle stool benefits from a pneumatic 35° seat tilt adjustment, a choice of anti-microbial vinyl colour options and hard free-wheeling castors for stability.

This Surgeons Foot Operated Tilt Saddle Chair is available with and without an additional torso arm. Choose the right option for you. The addition of an armrest helps to provide added stability and comfort when performing precision work. Get the right stool for the job at Meditelle!

## Extra options:

Additional Memory Foam padding gives extra comfort if seated for long periods
