FREE Delivery anywhere in mainland UK by courier

This Dryden extra-wide bariatric phlebotomy blood chair offers an added width 30" bed base for extra room when taking blood or performing infusions. It offers a gas-assisted back and foot section and a retractable wheelbase with foot lever control. This extra wide phlebotomy chair is available in a wide range of anti-microbial vinyl upholstery options and can be purchased with a variety of attachments and optional extras.

Special features:

Back and leg sections adjust smoothly with gas assist levers. Legs can be independently raised and lowered. Chair swiftly converts to flat to allow for recovery position.

Retractable wheel base allows couch to be moved and positioned with ease.
