This Joslin wide/bariatric phlebotomy chair offers an increased bed size, making it the ideal product for larger patients. It features a seat section with a fixed 10° tilt, gas-assisted adjustable back and foot sections and a retractable wheelbase with foot lever control. The Joslin wide/bariatric phlebotomy chair is available in anti-microbial vinyl upholstery options as standard and comes supplied with a phlebotomy armrest.

Special features:

Back and leg sections adjust smoothly with gas assist levers. Legs can be independently raised and lowered. Chair swiftly converts to flat to allow for recovery position.

Retractable wheel base allows couch to be moved and positioned with ease.
