Anti-microbial vinyl

FREE Delivery anywhere in mainland UK by courier

This Milton phlebotomy chair is a hydraulic height operation chair with a pneumatic foot pump and gas-assisted back and foot sections, it is constructed from a high-quality steel frame with anti-microbial coating and comes available in a choice of double-layered, anti-microbial vinyl upholstery options. This chair is supplied with twin phlebotomy armrests as standard.

Special features:

Back and leg sections adjust smoothly with gas assist levers. Legs can be independently raised and lowered. Chair swiftly converts to flat to allow for recovery position.
