Height Options

REGULAR HEIGHT MES7170

LOW HEIGHT MES7190

The Mesmer general medical trolleys with drawers are available in two practical height options and work well either on their own or as part of a mismatched height pair. These sturdy trolleys offer a steel-framed design complete with steel drawers and push/pull retaining rails. These versatile Mesmer trolleys are finished in an anti-microbial white frame coating which is wipe-clean and low-maintenance, each unit is supplied fully assembled and benefits from 75mm twin wheel castors with front-end brakes.
